Radar / Lidar Operator Course
Monday, March 29, 2010
0900 – 1700 hours

Your instructor will be Sgt. Dan Kroff with the Washington County Sheriff's Office. Sgt. Kroff has been with the Sheriff's Office for over 13 years. He is currently Supervising the AM Patrol shift. Sgt. Kroff also oversees the Radar / Lidar program for the Sheriff's Office.

This is a one-day course for law enforcement personnel who need to *re certify* to operate Radar. This course offers training on stationary, moving, and other effects associated with radar. It also offers training in operation of lidar. This training is offered when the officer's radar certification has lapsed **more** than one year.

Pre-Requisites - none
Restrictions - must be a law enforcement officer
Class limited to 30 students
